

CAP 5625: Computational Foundation of Artificial Intelligence

Review paper guidelines

Due date: December 5, 2021 on Canvas

Format requirements:

- 8-10 pages, not including cover page or references
- Double-spaced
- One-inch margins on all sides
- 11-point Calibri font
- Cover page that includes your name and topic
- Separate page(s) for references
- Submitted as a single PDF in the following order:
 1. Cover page
 2. 8-10 pages of literature review
 3. Page(s) for references

Possible directions for write-up:

- Can provide a detailed mathematical and/or algorithmic treatment of the topic, and provide a brief discussion of the pros and cons relative to techniques discussed in lecture.
- Can provide a brief mathematical and/or algorithmic treatment of the topic, and provide a detailed discussion (with examples) of the application of the technique in the field of artificial intelligence.
